**Easy to work with!**

They were very easy to work with and communicated well. I appreciated them working with us to meet the needs for our party. We had a pirate themed party and they provided pirate and mermaid themed face painting. The kids loved their designs and our face painter was able to work efficiently thru many kids in the time allotted. We would definitely consider using them again in the future.

## **Good morning! The face painter was outstanding!**

Good morning! The face painter was outstanding! However, we were a little disappointed with the Balloon Twister. The Balloon Twister was not on time, and we didn't feel like they were engaged with our guest. Thanks!!

Hired as:

Balloon Twister, Face Painter

Response from Merry Heart Entertainment: Face Painting, Glitter Tattoos, Balloon Art:

I'm so sorry Rod. THis is the first I'm hearing about this. I've never gotten this kind of report from anyone on my team. However, the balloonist she was not one of my usual two (who were not available) but the daughter of one of them and who I have always been told is a superior balloonist. I will be sure to pass along this review to the person who recommended her and note not to use her again for events. I actually have a police event that ask for her every year, so I'm saddened that she did not meet expectations.

### **Face Painting & Balloon Twister**

We came across Merry Heart Face Painting recently and decided to use them for a church event we were having. We needed two artists and even with our event approaching soon Kathy from Merry Heart came through for us in a big way. She found each artist for us and got them scheduled and they were a big hit the day of our event.

### **Wonderful!**

The artist that came to this event was amazing! She was very talented and sweet. Because we had a smaller group than planned she was able to do some more elaborate paintings! She even themed them to some of the kiddos costumes. She painted pyramids on Cleopatra and a super hero mask

on Thor. It was a lot of fun and everyone was really impressed with her talent. We are looking forward to working with this company again.

### [Talented, Professional & Welcoming](#)

I had the pleasure of working with Kathy of Merry Heart Face Painting. I was looking for a balloonist and a bounce house for an extremely busy weekend for our HOA community and found no luck due to the last minute booking. Kathy worked so fast to get me the services I needed, she is well connected in the industry. She was attentive, responsive and I felt welcomed when speaking with her the very first time on the phone. I know from now on, should I need anything for party flare...Merry Heart Face Painting is the way to go. Thank you Kathy for providing remarkable customer service and also for sending over our new Favorite Balloonist...Billy Whiskers!! He stayed till the very end...was twisting balloons in the dark for our residents! You all are phenomenal!

### **Extremely talented and professional artists**

Recently we called Merry Heart face paintings for our ranch party at Denison. Kathy and her assistant arrived on time and immediately set up their station. She asked if we had any suggestions or limitations and got busy with the children. Her beautiful designs soon attracted a huge crowd around her and the kids who had earlier refused for face painting, formed a line. The kids enthusiasm touched the parents and soon there were parents and grand parents proudly flaunting their painted faces. It was so much fun. Here I must mention that Kathy was introduced by wonderful Balloon artist Richard. Together they did such a fantastic job. Children and parents all enjoyed so much, what more do we want? Thank you Kathy and God bless.

My kids get there faces painted every event we see Miss Kathy at. They love it and she always does a great job. The best part is when they ask for something she has never done. ### **[No need to look further for Face Painters](#)**

I e-mailed Merry Heart after reading reviews from this site and I received an e-mail response within a couple hours. All my interaction via e-mail was very quick and prompt. Also, I have no experience with face painting thus I had many questions. All questions were answered promptly via phone and e-mail.

We scheduled Merry Heart for my daughter's first birthday and we scheduled one person for 2 hours. A personal incident took place with the scheduled painter several days before our party. I was notified immediately of what happened and a solution had already been created. Graciously, we were given 2 painters for the 2 hours.

At the time of the party my wife and I met both painters and they discussed exactly what was to take place. Also, they asked what my daughter's interest's were in order to get the best painting for her. I thought that was quite personal! My daughter and all her friends absolutely loved the painters and had an excellent time. The skill of the paintings were excellent and I even got my face painted with my daughter's name!

My wife and I were thoroughly pleased with Merry Heart's attention to detail, kindness, and professionalism. I would look no further for your Face Painter's, you have them right here!

### **Enjoyed! 3 years**

We have used Merry Heart Face Painting and Glitter Tattoos for three years in a row at our company's annual summer party. They meet us onsite and take care of our employees, spouses, and children for 3 hours. They bring a smile to everyone's face. They have been a pleasure to work with each year. We had 300 attendees this past Saturday at our party and everyone that chose to get a glitter tattoo or face paint was taken care of in the 3 hour time frame. My daughter and her friend both were painted and tattooed. The tattoos really are water/sweat proof for about a week. We were in the pool all day yesterday and the glitter tattoo is still there this morning. I would recommend anyone needing to book this type of service to Merry Heart. We look forward to booking them again next year!

Kathy was the hit of the party! I cannot say enough great things about her! She was friendly with everyone there, great with kids, very helpful, arrived extra early (and even helped me set up!), huge selection of face paintings and colors, and her work was amazing and detailed! Literally every parent at the party was saying how she was the best they had ever seen. Her work was detailed and beautiful. No two cats looked the same. Every super hero looked perfect. She even did half good guy half bad guy for one boy. None of the kids wanted to wash their faces that night! Amazing and would definitely use her again!

### **Very impressed by the professionalism!**

I booked Merry Heart for my daughter's 3rd birthday party. I was incredibly happy with the fast response to my booking inquiry, frequent communication prior to the event, promptness arriving to the party, professional setup and takedown, and very sweet personalities of the two ladies. They accommodated every single request I had. The kids took so well to them and each and every one sat still as a statue getting their gorgeous paintings done. Very fair pricing. I wouldn't at all hesitate to use these ladies again!

### **Fantastic!**

I contacted Kathy for my daughter's 5th birthday party. We first met her last summer when she was hired for a company picnic where I work. We loved her and her assistant! They were very professional, amazing artists and the kids loved them! So when we decided to hire a face painter for our burthday party this year, Merry Heart Face Painting was the obvious choice. Kathy was not available for our event this year so she sent two members of her team (Carol and Kenzie). They were awesome! The kids LOVED it! It was a My Little Pony party and Kenzie expertly transformed the kids' faces into their favorite Pony. And Carol made some really cool glitter tattoos. They both took their time with each of the kids and did an excellent job. I would recommend Merry Heart Face Painting to anyone!

For my 3 year old daughter's birthday, i was looking for someone very unique in their work....and somehow i was lucky to find Kathy. ### **Sweet Professional Artist!**

We met Kathy at the Marco's Grand Opening! She is very sweet, friendly and very Professional! I have never been much on having my girls face painted, but Kathy was so sweet and her artistic ability is Amazing!!!! My girls LOVED their face being painted for the day and it stay on very well! My 2 yr. old wasn't sure about having her face being painted so Kathy offered to paint on her and and my 2 yr old LOVED it also!!! She was bragging to her sisters that she can look at it all day :) That evening it wasn't too bad to get the paint off their faces with a face or baby wipe as Kathy suggested to us. Kathy did great to 'give personal attention & time' to each kid as she also kept the line flowing. It was really awesome that she took a pic of each of our girls and we can view online without any charge. Her creations are very super Cute! We totally recommend her for your next event! We are looking forward to having her as our Paint Artist for our youngest 2 Birthday Party!!! Also, she is great to work with to schedule our date & time and she does great returning calls and emails-which is very important when want to plan the best birthday party as possible and to have no added stress! Will also give review to follow-up after we have this wonderful Paint Artist at our Party!!!!

### **Talented, professional, and kid-friendly face-painter**

Kathy and her assistant, to my surprise, turned out to be the hit of the party. The kids' requests for what was to be painted on their faces covered a large spectrum and Kathy painted them all very well. She even painted, for the first time, a hockey player for my son just like the picture. She arrived on time, stayed as long as we liked, and painted the children as quickly as she could without sacrificing quality.

Kathy's follow up before the event was exceptional -- it made the details for me (the event planner) stress free. The kids were so proud of their paintings -- they were just beautiful. And at the end of the party, when Kathy's team didn't know I was looking from the kitchen, there they were making animal balloons for my last little guests -- I'm sure that made the picnic for them! Cross Timbers Intermediate School hired Merry Heart Face Painting to do our Sixth Grade Social the theme was " Winter Wonderland 2010". All the children that participated absolutely loved the face painting and thought it was something fun and different. I would recommend them to all my family and friends. Thank you Merry Heart Face Painting for providing such a fun and unique service for our children. Look forward to using you again in the future.

Kathy and her team of facepainters and balloon twisters arrived promptly with ample supplies and materials to decorate their tent, including signage. Their work was very nice, and they worked well beyond the hours contracted. We were extremely satisfied and would use them again.
